

Truckee Upsets Lincoln; Ready For Placerville

Five Chuckers Are Used
In Sunday Slug-Fest
At Local Park

In one of the season's biggest upsets, the Truckee Mountaineers Sunday defeated the league leading Lincoln Potters 12 to 11 here.

Thus, instead of ending the season as had been expected, Truckee Sunday will engage the Placerville team on the local field in a game postponed at the first of the season. Placerville is one of the strongest teams in the league and a good game is forecast.

Truckee batters walloped the offerings of three Lincoln pitchers to the tune of 14 hits Sunday, while the visitors did even better by getting 17 hits off Bill Black and Karl Kielhofer. The former pitched the first six innings, was hit 14 times and the score was tied 9 to 9 when Kielhofer went in. Karl permitted three hits for two runs in the last three innings.

Stassi and Moon hit homers for the visitors, each time with the bases empty. Mel White started for the locals with 3 for 4, six put outs, six assists and four runs batted in, with two three base hits. Harvey Martin, who was voted the team's most valuable player, got 2 for 3 and also hit a triple. Korch hit 3 for 5 and Les Davidson got 1 for 2. In Kielhofer's only trip up he binged a single. Manager Larry Baxter got 1 for 3 and Eddie Ulsheimer hit 2 for 5.

Rustad Fractures Leg In Tahoe Boat Mishap

TAHOE CITY—Kjell Rustad, well known local man and sail boat agent and operator, suffered a broken left leg Saturday when he attempted to use the member as a fender to ward off a speedboat which was attempting to come along side the new sail boat Rustad had just moored. One bone was broken just above the ankle and the leg was badly bruised.

Local CSEA Unit Will Attend Fair Sept. 9th

An invitation to officers and members of Donner Chapter No. 56, California State Employees Association, to attend the special CSEA program September 9 at the California State Fair in Sacramento, was issued today by W. A. Bottel, chapter president.

CSEA Day at the state fair falls on Admission Day, a legal holiday, and the most ambitious program in history has been planned.

Guests from Livermore—Mrs. W. W. Davidson and daughters of Livermore are guests of Dr. and Mrs. J. H. Bernard.

Buck Stew Will Be Held Here On September 25th

Johnny Ciardella to Chef
Annual Feed Slated
At Capitol

The annual buck stew, sponsored by the Truckee Outdoor Sportsmen, will be held at Capitol Hall Sunday, September 25.

This was decided at a meeting of the club held last Friday during which President H. H. Hodson appointed committees to have charge of the affair and to discuss other matters of interest to the sportsmen.

Johnny Ciardella will be stew chef and will throw open the lower as well as the upper part of the Capitol for service. On the prize committee are Robert W. Seibold, Jean Leavitt and Gilbert Berg. A. G. Bradshaw, Clarence Osburn, Tom Borneman and Hodson were delegated to provide the meat.

The club went on record asking the state to enforce the law providing that game shall not be taken from an open area into a closed area, since the Nevada laws this fall will permit the killing of a limited number of deer and the request is made to prevent killing does in California and then taking them into Nevada.

20-30 CLUB OFFERS RIDES TO VOTERS IN BOND ELECTION

Truckee 20-30 Club met at Cozzi's Wednesday evening. Harvey Hocker, Harley Lusher, Don Rablin and Charles Weisker were guests. The club's softball team will play the SP team Sunday morning and next Wednesday the team will play the Loyalton team at Loyalton. There will be no dinner meeting next Wednesday.

In a preliminary game here Sunday morning prior to the Lincoln-Truckee game, the local 20-30 defeated the Lovelock team by a score of 9 to 6.

Club members voted to assist in getting a large turn out for the school bond election on Tuesday and voters in the Truckee area desiring transportation to the polls are requested to contact Jim Leamon, phone 9.

Local Hospital Project Well Received by Board

Charles R. Heller, president, and Ted Barrett, secretary, of the Tahoe Forest Hospital District, accompanied by Architect George Sellen of Sacramento, attended a meeting of the State Advisory Hospital Council of the California Department of Public Health at San Francisco last Thursday to further the local application for state financial assistance in building a hospital here.

The application was well received, Heller said, but a definite answer will be delayed pending another meeting of the council, George R. Cummings, chief of the bureau of hospitals, said.

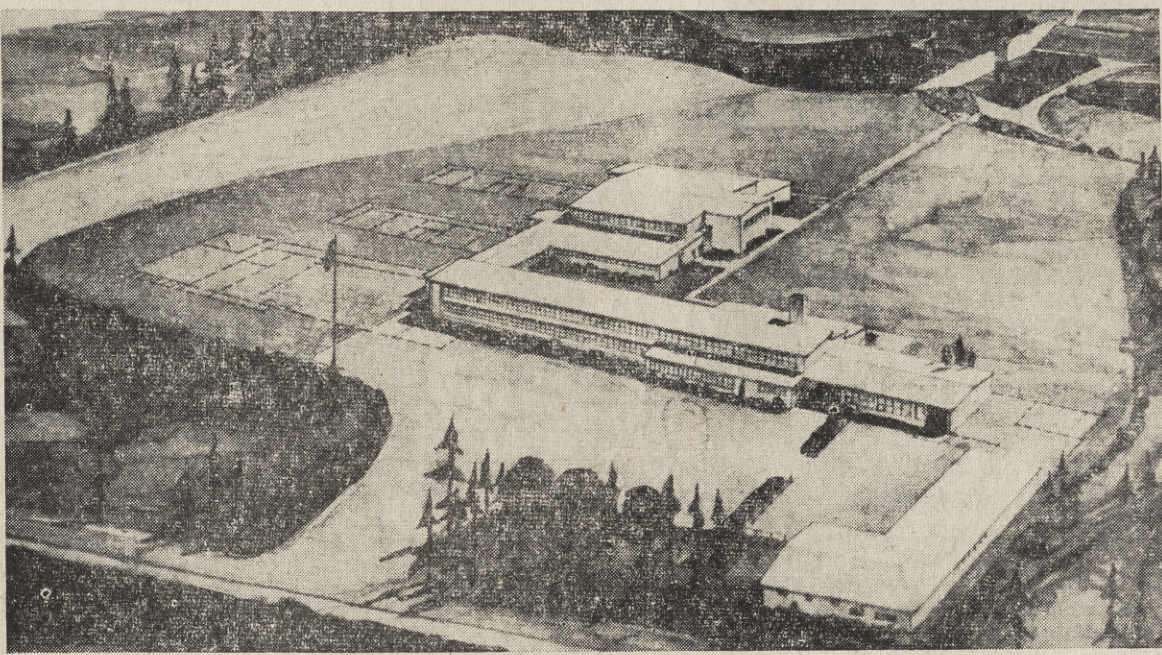

Sisters Convention Due In Truckee On Sept. 8

A convention of the Pythian Sisters lodge will be held here on Thursday, September 8, in the Odd Fellows Hall with members of Grass Valley and Colfax temples taking part in the initiatory and other program features being planned by Summit Temple 79. At a special meeting of the local order held on July 29, Mrs. F. W. Gaennie was elected district deputy grand chief.

Fifty Knights of Pythias and Pythian Sisters and their families enjoyed the open air supper given Saturday evening, August 6, at Coke Haven on the Truckee River. The affair was arranged by members of Summit Temple and out of town visitors included Mr. and Mrs. George Tonini of Verdi.

A regular meeting of the Temple will be held this evening at eight o'clock.

Architect's Drawing Of Proposed New District High School

The above is a drawing by Architect Gordon Stafford of Sacramento of the proposed new Tahoe-Truckee Unified High School plant which is dependent on a two-thirds majority vote at Tuesday's special bond election. The unit will cost \$750,000 when completed and will house the high school and junior high school for the entire district. The plant is being planned for 90 students and is being built for 350.

Inquest Ordered In Death Of Reno Man As Body Recovered

Drowning Theory Fades
As Autopsy Indicates
Heart Attack

Deputy Coroner N. F. Dolley announced that an inquest will be held next Tuesday to determine the cause of the death of Donald W. Warner, 46, Reno insurance adjuster, whose body was recovered from the Truckee River east of Hinton Friday. While it was at first presumed Warner had drowned, an autopsy revealed a heart attack may have caused his death and since there is a double indemnity insurance policy involved, the inquest was ordered.

Warner was lost in the river while fishing July 31. The search conducted for three days failed to reveal the body which came to the surface Friday and was seen by Roadmaster J. V. Copeland, John K. Sheets and Howard Hendrix of the Southern Pacific. Dolley was called and took the body to Reno for funeral services.

Autopsies were performed by Dr. L. D. Nelson of Truckee and a Reno doctor, who will probably offer evidence at the inquest.

Summit Couple's Baby Born at Tahoe Vista

Mr. and Mrs. Edward Coppel, who are building a motel across the highway from Kiski Lodge on Donner Summit, are the parents of a 7 pound 2 ounce baby daughter, born Saturday morning, August 6, at the Tahoe Vista Clinic. The baby has been named Cara Lee.

Buells Hosts Sunday At Al Fresco Supper

Mr. and Mrs. T. T. Buell entertained at an al-fresco supper on Sunday evening. The tables were centered with flowers from their attractive garden. Cards were played later.

Out of town guests were their son-in-law and daughter, Mr. and Mrs. Allen Ainey who arrived from Portland, Ore., on Saturday with their children, Buell and Persis, and Mr. and Mrs. Hendrickson of Berkeley, who are vacationing here. Twenty-four of their local friends rounded out the guest list.

Son Arrives Today for Mr. and Mrs. Sassarini

Early this morning, August 11, Mr. and Mrs. August V. Sassarini of Truckee became the parents of a son, born in St. Mary's Hospital in Reno. Weighing 6 pounds 1 1/2 ounces at birth, the lad as yet has not been named.

Sun Beams

by Walter M. Barrett

When the voters of the Tahoe-Truckee Unified School District go to the polls next Tuesday, they will decide one simple but very important issue—do they want and need a new high school to serve this fast-growing, progressive district? If the answer is to be yes, then two out of every three voters casting their ballot must vote in the affirmative, as a two-thirds majority is required. The important thing to do is to vote, since only through a preponderance of ballots can the true desires of the district be known. There is some organized opposition to the proposition and this was expected. The cost, proposed location, administration and other issues have been raised as objections to the proposal. As previously explained by local school officials, the cost of building and maintaining the new school should not be more, and may be less, than current costs when figured over the 20-year period for bond retirement and area development. The location was chosen by state school planning officials as the best available of nine proposed and studied. Selection was made on the basis of central location, accessibility, required area, convenience, safety and available utilities. Since the public schools are maintained largely through state allocated funds, state school planning officials have the final decision on locations and other factors. The site chosen was their first choice as well as the unanimous choice of local officials. We can give our youngsters the advantages of good educational facilities here and not have to tolerate a condition which makes it advisable for families to leave or send their children to other cities for schooling. The decision is up to you as individual voters so by all means vote in Tuesday's election.

Sports Films Shown At Lions Club Meet

William Willis, Standard Oil Company representative, showed two sports films at the Lions Club meeting last night. They were on golfing and the 1948 Winter Olympics in the Alps. Carl Becholdt Jr. was program chairman and B. W. Reynolds presided. Guests were Cliff Ventree of Sacramento and Jack Williams of Pittsburgh.

VA Contact Man Due In Truckee on Friday

A contact representative of the Reno Veterans Administration office will visit Truckee on Friday, August 12. He will make his headquarters at the Truckee Public Utility District from 10 a.m. to 3 p.m. and will advise and assist veterans of this area on their VA privileges.

250 Control Forest Fire West Of Here During Weekend

Flare Up on Wednesday
Is Quickly Checked
By Fighters

More than 250 men were required to bring under control a forest and brush fire which swept over 200 acres along the Southern Pacific tracks near the Horse-shoe, six miles southwest of Truckee during the weekend.

The fire started at noon Saturday near the Clear Creek road and was believed to have resulted from a carelessly thrown cigarette.

Ranger E. E. Boehm and Suppression Foreman William Curran established a camp near the scene and directed the work of fighting. The flames were finally brought under control Sunday night. The Southern Pacific fire train and extra crews of men augmented the recruited men.

RECORD TRAVEL THROUGH HERE DURING MONTH

Truckee is believed to have set an all-time record from a travel standpoint during July when a total of 41,476 vehicles were checked coming into the state at the border quarantine station east of here. Truckee was exceeded only by Yermo which reported a total of 45,498 incoming vehicles.

In third place with only 21,956 was Hornbrook. Stateline on Highway 50 at Lake Tahoe checked 14,014 west bound vehicles while Brockway had a total of 2,723. The figures, kept by the state department of agriculture, include only vehicles which have been beyond local points and are going into the heart of the state and do not include local vehicles nor east bound cars.

The 41,476 checked vehicles included 27,060 California cars and 14,416 foreign vehicles. There were also 729 stages and 1,824 commercial vehicles.

The total passenger count of these vehicles was 123,057.

Total tally of cars entering the state was 276,822 automobiles with 891,609 passengers, the report shows.

Sanitary District To Expand Facilities

Directors of the Truckee Sanitary District met at Sarge's last Friday and discussed the installation of a new sewer line to serve the residents of the district near the high school as well as to improve present facilities. The board also voted to lease the tractor and bulldozer which had been offered for sale by the board of supervisors and which has been replaced by new equipment here.

11 Escape When Four Vehicles On Highway Crash

Officer Commends Gilson
For Keeping Head
In Wild Ride

A spectacular accident involving four vehicles and 11 people occurred on Donner grade Friday night at 6 o'clock when an empty lumber truck, driven by Harold A. Gilson, 45, of the Truckee-Tahoe Lumber Company, got out of control and crashed into three other cars.

Although all the vehicles were wrecked and one plunged 250 feet down the grade, no one was seriously hurt and State Patrolman William Gautsche, who investigated, praised Gilson for maintaining his presence of mind and avoiding a far worse accident.

It all started when the brakes on the truck failed and the truck stripped the gears near the Donner bridge. Gilson avoided head-on collisions but rammed the rear of the first car driven by Samuel Zimmerman, 65. The pickup, loaded with furniture, was demolished and Zimmerman and his wife were treated for injuries and taken to their Berkeley home by the Truckee ambulance.

Continuing on down the grade at an estimated speed of 70 miles an hour, the truck struck a car driven by Moniford Kruger, Newark. This vehicle was occupied by six people, including two babies. The car went off the grade 250 feet and no one was more than shaken up and bruised. The third car, driven by Lemuel McCullough of Arbuckle was hit head-on and this tore the front out of the careening truck, which slid another 200 feet before coming to a halt.

All the injured were taken to Dr. L. D. Nelson for treatment by the Truckee ambulance and passing motorists.

Joe King to Treat Children to Circus

If the youngsters of the Kings Beach area fail to see the Shrine Circus in Reno from August 18 through 21, it will be their fault.

Joe King, founder of Kings Beach and active resident there, has purchased 200 tickets for the circus and invites all the children of the area to be his guests. In event more tickets are required, King will supply them but he believes that the 200 will be sufficient.

Cycle Rider Injured Today on Highway

Arthur F. Quinn of San Francisco suffered severe lacerations of the face, head and left arm and a sprained ankle when a motorcycle on which he was a passenger skidded in loose gravel on Donner grade this morning and spilled its riders. Quinn was brought to Dr. L. D. Nelson for treatment by the Truckee ambulance.

This Region Invited to Take Part in Fair

Eastern Nevada County residents are being invited to attend or participate in the annual Nevada County Fair being held at Grass Valley August 26, 27 and 28 where a full program of events is scheduled, according to Miss Edith Scott, fair secretary.

The judging will start Friday morning at 10 o'clock with awards for booths, floriculture, agriculture, home economics, livestock, poultry, rabbits and gold.

The Nevada County Fair Horse Show, under the direction of Owen E. O'Leary, will be held Sunday, starting at 1 p.m. with state and special events scheduled.

The fair gives promise of being an outstanding event and Truckee is especially urged to have a large delegation present.

TAXI SERVICE

Miles and Seeburg, Nevada City residents, have started a taxi service here with headquarters in the Sierra Tavern. The concern is known as City Taxi.

Bond Election To Decide School Is Slated For Tues.

Record Vote Is Expected
On \$750,000 Issue
For New Plant

The importance of the bond election next Tuesday is causing considerable interest and the vote is expected to be one of the heaviest on record here.

Local service clubs and other organizations are making efforts to get out a large vote as a two-thirds majority is required to pass the proposition for the \$750,000 bond issue planned to construct a new high school for the Tahoe-Truckee Joint Unified School District.

In support of the project, W. A. Loynd, president of the board of trustees, is calling attention to the urgent need for a new high and junior high school to relieve the congestion in established schools, and provide the essentials of modern education. The present high school, he pointed out, was not sufficient for the needs of the immediate area and now under the unification with the enrollment boosted double or more, the need is more apparent.

"With the anticipated growth of the area," Loynd said, "the urgent need for a new school cannot be denied. The amount required may appear large, but when spread over a period of 20 years, the cost will not be as great as under current unsatisfactory conditions and will certainly result in an adequate educational system. We sincerely urge consideration of all phases of the program and ask everyone qualified to vote Tuesday."

Opposition to the issue is expressed by C. Edmunds, manager of the Truckee Public Utility District, who is sending out letters to voters asking them to vote no because the site selected, he says, will prevent the improvement of a proposed public park. He asks that the vote continue to be no until another site for the school is selected.

The school board emphatically stated that no other site will be selected, Loynd said, regardless of the outcome of the balloting.

The utility district board of directors has offered the site to the school district for \$2,000 if the school is to be built and has publicly disclaimed any connection or responsibility for statements in opposition to the bond issue.

The polls will be open from 7 a.m. until 7 p.m. Tuesday.

WORK UNDERWAY ON IMPROVEMENT OF DONNER PARK

Truckee's need for a public park is expected to be amply filled with completion of a project approved last Thursday at Los Angeles for the division of beaches and parks to expend \$130,475 on improvements at Donner State Park three miles west of here.

The public works board approved the expenditure which will include camp, picnic and trailer units costing \$11,050; comfort stations, \$10,200; roads and parking, \$38,250; water supply, \$36,975; two duplex cabins, \$17,000; and fencing \$17,000.

Two contracts for the work have been awarded and the projects started, the Western News Service at Sacramento reports. R. E. Fisher, Bijou contractor, and E. F. Halverson and Son of Elk Grove have been awarded the contracts for duplex cabins, comfort stations and picnic and trailer units.

Additional work is expected to be done during the coming year.

Rotary Ladies Night at Ice Lakes on Monday

Monday members of the Truckee Rotary Club and their guests attended the annual Reno Rotary barbecue and the local meeting was called off.

Next Monday will be Ladies Night at Ice Lakes with Chairman William Rutherford in charge of the affair. The dinner will start at 7 o'clock and all Rotarians and their guests are invited.

Church Women to Hold Food Sale August 19th

The Women's Society of the Community Church will sponsor a food sale at the office of the Truckee Public Utility District Friday, August 19. The usual home-made pies, cakes, salads and other delicacies will be featured. Mrs. Elizabeth McKay said the sale will start at 10 a.m.

Went to the monthly dinner meeting of the Truckee Volunteer Fire Department on Tuesday night. After we had eaten our fill of Mama Moro's cooking, Chief N. F. Dolley commented on the fact that between the July and August meetings, the department had not been called out on a single alarm. Now that's a good record for you folks, you are to be congratulated and you don't need me to tell you that you should keep up the good work. Remember, when you are burning outside in an incinerator, see that it is adequately screened. Incinerator or no, be sure you have adequate water or dirt and tools to douse it immediately if necessary. Burn only with a permit and only between 7 p.m. and 7 a.m. In your home, outside and on the road, be careful where you put your cigarette or cigar butts, matches, etc., and be sure

they are out. At home, make sure all inflammable rubbish is out of fire danger and keep checking your electrical appliances and connections. It will suit those of us on the TVFD if we don't have to get together before the next monthly meeting.

This is sort of old home week in Truckee. H. F. Clouette from Mill Valley is visiting F. F. Kearney this week. Clouette, C. E. Rail oddities

A RENOWNED PAINTING HAS IMMORTALIZED "WHISTLER'S MOTHER". FEW PEOPLE KNOW THAT HIS FATHER, GEORGE WASHINGTON WHISTLER, WAS A WORLD-FAMOUS ENGINEER WHO, AMONG OTHER ACHIEVEMENTS, DREW THE PLANS AND SUPERVISED THE BUILDING OF AMERICA'S FIRST COMMON-CARRIER RAILROAD.

A FAVORITE RAILROAD CHARITY IS THE HOOD BASKET THAT "BURNS" ITS WAY AROUND THE COUNTRY COLLECTING MONEY FOR THE MARCH OF DIMES. LAST YEAR THE BASKET TRAVELED 10,000 MILES ON 19 DIFFERENT RAILROADS, VISITED 29 STATES, COLLECTED \$1,000 FROM RAILROAD MEN.

THE SAFETY OF RAILROAD TRAVEL IS STRIKINGLY EMPHASIZED BY THE 1948 RECORD OF ONLY ONE PASSENGER FATALITY FOR EACH 997 MILLION MILES TRAVELED.

Veteran SP Dining Car Retires September 1 After Lengthy Service

Harry A. Butler, said to have supervised the serving of more meals than any other civilian in the world, has announced he will retire September 1 as manager of the dining car department of the Southern Pacific Company. Butler has been with the railroad since August 2, 1902, rising from a clerkship to head the department whose dining cars travel more than 15 million miles a year and whose employees number more than 2100 men and women. Since he became manager in 1932 an estimated 185 million meals have been served under his jurisdiction.

During the war years, Butler performed a near miracle of catering when Southern Pacific served more military meals than any other three railroads in the country. He has taken personal care of United States Presidents Herbert Hoover, Franklin Roosevelt and Harry Truman when

they were traveling on Southern Pacific's 8200 mile rail network in seven western states. Butler has been responsible for originating ideas which have become standard practice on railroads and in restaurants throughout the nation and even beyond its borders. In 1933 he originated "meals select", the practice of serving a complete meal for the price of the entree. Somewhat earlier, he introduced the now famous Southern Pacific salad bowl and casserole, from either of which the passenger is privileged to take all he can consume. Not yet at the compulsory retirement age, Butler is retiring at his own request, according to D. J. Russell, vice president of the company.

Schools at Tahoe, Truckee Open September 12; Faculties and Staffs Prepare for Classes

by SWANEE

Everett O'Rourke, superintendent of Tahoe-Truckee Joint Unified School District, has announced that all schools of the district, excepting Donner Trail, will start the fall term on September 12. Donner Trail started its fall semester on July 11. Those opening September 12 will run until June 16, 1950, subject to weather conditions.

All teachers of the district are expected to meet at Tahoe Lake School in Tahoe City at 10 a.m. Monday, August 29, and from then until school opens the time will be spent in meetings and preparing rooms for the opening of school.

Faculties Listed

The teaching staffs of the various schools is as follows:
Tahoe Lake Elementary: Mrs. Myrtle Gallinger, principal; Mrs. Dorothy Johanson and Robert Gilbert, graduate of University of California. A fourth teacher will be employed if necessary.

Kings Beach Elementary: Charles Chubb (San Francisco State), principal; Miss Lucille Hallenback, Daly City; Mrs. Sara Ann Ernst, Kings Beach.

Truckee Elementary: James Walsh, Mountain View, principal; Lynn Kishbaugh, UC; Mrs. Mary Ellen Borneman, Truckee; Mrs. Blanche Gage, Truckee; and Mrs. Ullah Brown, Salinas.

High school (at Truckee): Norman Dewhurst, Tahoe City, principal, science and math; Miss Thelma Finger, UC, home making, social studies and girls physical education; Ernest Douglas, UC, music in the entire school system; Clair Strom, Truckee, business education and American history; Miss Mary Ellen Dolcine, Davis, English and foreign languages; Arner Gustafson, College of Pacific, athletics and shop; Lieut. Jay W. Clark, Boca, commandant of cadets.

Donner Trail: Miss Patricia Bowman and Mrs. Olia Tiffe.

To the Residents of the Truckee Public Utility District

It has been called to our attention that certain opinions emanating from the manager of the Truckee Public Utility District are opposed to the forthcoming bond issue designed for the purpose of constructing and maintaining a high school in Tahoe-Truckee Joint Unified School District, principally because of the chosen site.

The Board of Directors of the District wish to make it clear that these opinions were not ordered nor sanctioned, either by the board in its entirety or as individuals since the District is not involved in the issue.

When approached by the School District Officials relative to the purchase of a site in Meadow Park for the new school, we unanimously voted to sell a 51-acre tract to the unified school district for the sum of \$2,000, provided a school be erected on the site within two years. This low figure was decided upon primarily to encourage the erection of the new school on the location chosen by the state and local officials.

This Board feels that the interests of the district can best be served through the construction of a new high school and if state and local school authorities feel that the site chosen is the best available, we heartily endorse this course and vigorously deny any implication to the contrary.

These telephone men will soon make a damaged long distance cable carry calls again. Come along and see how.

THEY GET GOING FAST WHEN TROUBLE STRIKES

Telephone repairmen's big job is keeping your calls moving

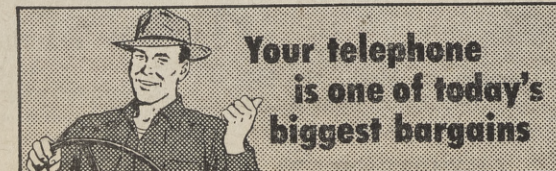

1. When someone's ditch-digger bites a chunk out of a long distance cable—and it happens now and then—repairmen get on the job fast to fix it. Back at a test center, sensitive instruments located the break and splicers hit the road. Almost simultaneously, many calls were routed through other cities to get them through with as little delay as possible.

2. Service restored...the hundreds of tiny wires have been spliced temporarily and, even as the workmen stow their tools, calls are speeding through the cable. Later it will be permanently spliced without interrupting service. Such fast repairs are possible by planning ahead for emergencies, so trained people can be quickly pulled from other jobs.

3. Keeping service reliable makes your telephone a more valuable servant—just as keeping rates low as possible makes service a bargain today. A local call still costs just a few pennies...and calls to the East Coast at day station rates only \$2.50 plus Federal tax.

Your telephone is one of today's biggest bargains

**Porter English Movies
Are Shown at Chapel**

TAHOE CITY—Most entertaining was the showing of the movies taken by Bishop and Mrs. Noel Porter while in England and France last summer. The show was at St. Nicholas Chapel near Tahoe Tavern last Thursday evening, after which refreshments were served.

Bishop Porter was one of 67 American bishops at the Lambeth

Conference which opened at Canterbury Cathedral and closed at Westminster Abbey in London. A total of 320 Episcopal bishops from all parts of the world attended.

Among interesting experiences the Porters enjoyed were meeting the King and Queen and Princess Margaret, visiting the statue of President Roosevelt, witnessing the Olympic games, watching the changing of the King's guard and visiting the American embassy and No. 10 Downing Street, residence of the prime minister. Pictures were passed around the audience, some of which were taken at the various functions and others showing the ancient cathedrals and other points of interest.

TO TALLANT LAKES

LAKE FOREST—A two-day fishing trip was enjoyed in the Tallant Lakes last week by Mr. and Mrs. Cecil Dempsey of Lake Forest and their sons Jim Morhain and Pat Dempsey. Jim was the only successful angler, getting his limit of trout both days.

**Fallen Leaf Lake Cradle
For Nature Set-Up
In National Park System**

FALLEN LEAF—The start of the nature guiding program in our National Parks was recalled recently when a bronze plaque was dedicated at Fallen Leaf Lake in honor of W. W. Price of Palo Alto, who launched this movement there in 1919.

When Price learned of the nature guiding movement carried over from Europe by Mr. and Mrs. C. M. Goethe of Sacramento, he induced a group of Lake Tahoe resort operators to participate in the program. Stephen T. Mather, at that time director of the National Park Service, observed the value and popularity of the nature guiding at Fallen Leaf and requested its introduction into Yosemite in 1920.

This was the beginning of the National Parks ranger-naturalist interpretive program. Newton B. Drury, present director of National Parks, says, "The nature interpretation program, of which

**DOLLAR BOAT ON
REGATTA LIST AT
CHAMBERS' SUNDAY**

TAHOE CITY—Members of the Tahoe Yacht Club are readying their speedboats for the second 1949 regatta sponsored by them at Lake Tahoe on Sunday, August 14, at Chambers' Lodge, the first race starting at 9:40 in the morning.

Events will include 115, 145, 165 horsepower; special class run about hulls, 25 feet and longer, 325 hp. and under; the championship at 11:20, handicap at noon and the novelty bang and go back race. All classes of boats may enter the handicap, bang and go back and championship, but all events except the championship are closed to outsiders and may be entered by Yacht Club members only. The championship is open to all.

A luncheon meeting will be held at Chambers' on Saturday at which new club officers will be elected for the year.

Keen interest is being evidenced here in the arrival of R. Stanley Dollar's Jr. Harmsworth trophy winning Skip-A-Long, which will be entered in the Sunday events.

At the Tahoe Pines summer home of Henry J. Kaiser, mechanics are working on the Hornet, Lemme Go First and Hot Metal. On the latter some major alterations are being made and while none of these boats has been entered as yet, it is hoped they will be ready by racing time. Kaiser will arrive by mid-week to personally supervise the work.

At 11:50 a.m. the Lake Tahoe Water Ski School, under the direction of Bud Scott, will put on a skiing exhibition and plans to include jumping exhibitions from a platform on the lake in front of Chambers' pier. The Stockton Water Ski Club will be invited to demonstrate their ability and star performers will be a four year old girl and a nine year old boy. Pyramid formations and other intricate acts will be on the bill.

W. W. Price was a pioneer with Mr. and Mrs. C. M. Goethe and Stephen T. Mather, has assumed great importance in the National Park System.

In the California State Parks, including the extensive Redwood Parks, nature guiding has been developed in recent years, along the lines set in 1919 at Fallen Leaf Lake by the original staff of scientists, Dr. Harold C. Bryant and Dr. Loye Miller.

Next Sunday is a big day for Jeanne Determann

Sunday evening, a little after 8:30 o'clock, the announcer on the Standard Hour will say... "Now, a young artist we believe has a great future in music will entertain you—Jeanne Determann, soprano from Los Angeles."

And Jeanne, who works as a secretary, will sing for the first time with a great symphony orchestra...for an audience of nearly a million people.

We don't know what this chance will mean to Jeanne, but similar Sunday evenings have been very important in the careers of many singers and musicians—Clara Mae Turner, contralto, and Jerome Hines, basso, both with the Metropolitan Opera Company, Dorothy Wareskjold, soprano with the San Francisco Opera

Association, Paulena Carter, concert pianist, and others.

For it is our policy on the oldest of all symphony network broadcasts to help talented young people whenever possible... so that, from time to time, the hour that's yours can also be theirs.

"The Standard Hour," 8:30 p.m., Sunday, NBC

**Birthday Party Follows
Discharge from Navy**

HOMEWOOD—A belated birthday party was tendered Bill Callender, son of Mr. and Mrs. Ben Callender of Homewood, when he returned to the lake following the termination of three years service with the Navy at Pensacola, Fla., where he served as an aerial photographer. His birthday occurred on July 18 but the celebration took place at the Tahoe Biltmore on July 26. A dinner party, topped with two large birthday cakes, was enjoyed by the Callenders and their guests, Mr. and Mrs. Bert Hemenover of Palo Alto, Mrs. Harriett Hemenover of Oakland, Mrs. Alma Christensen of Homewood and Mr. and Mrs. Bob Stark of Tahoe City.

Young Callender will vacation at the home of his parents until fall when he plans to attend the University of California at Berkeley where he will study petroleum engineering.

Economic Optimism Speaker's Theme At Rotary Meeting

HOMEWOOD—R. A. Carrington, editor of the Los Angeles Examiner, who for the past 25 years has enjoyed his annual vacation at Lake Tahoe, told the 34 members of the Rotary Club of Tahoe City and their 42 guests that he hoped to spend the next 25 at the same famous resort.

As guest speaker at the meeting, Carrington spoke chiefly on the affairs of the nation and pointed out that with 58,000,000 people working, there seems little to fear of anything but continued sound financial conditions.

Carrington did warn, however, of the threat of Communism and gave logical reasons why our nation, based entirely upon democ-

cracy, should never tolerate any action or legislation based upon lines opposed to democracy.

The meeting, held at Homewood Resort, was thoroughly enjoyed and the talk was educational and interesting. At the session it was announced that the club will henceforth be known as the Rotary Club of Tahoe City instead of the Rotary Club of North Tahoe, as in the past.

Fashion Show Feature At Tavern on Friday

TAHOE TAVERN—Another interesting fashion show was staged at Tahoe Tavern last Friday afternoon, the latest in summer and fall wear modeled by 11 college girls who are employed at the resort this summer. Linn Biron, a professional model prominent in the fashion field in the bay area and social director at the tavern, was announcer and co-ordinator of the program. Two well known guest models were Diane Goldman of San Francisco and Sue Hecht of New York.

Omar Khayyam, author of the Rubaiyat, was also a great mathematician.

O'Rourke Tells Women Of School Plan for Tahoe-Truckee District

TAHOE CITY—The Women's Club of Tahoe met in community hall on Thursday, August 4, with Mrs. Maizie Carnell presiding in the absence of President Mrs. Jeannette Mitchell.

Everett O'Rourke, superintendent of Tahoe-Truckee unified schools, gave an informative talk on the proposed new joint high school, giving complete details of construction and operation and displaying the plans drawn by Architect Gordon Stafford of Sacramento. The proposed plant would cost between \$630,000 and \$650,000 with furnishings to run between \$40,000 and \$50,000. He told how the site, opposite the Highway Patrol station on Highway 40 near the Truckee wye, was selected and gave an outline of classes which would be available and transportation problems which may arise. He closed his talk with a plea to all residents who are interested in having one of the finest schools available to get out and vote for the bonds on election day, Tuesday, August 16.

A letter from Belle M. Brock, tri-county president, definitely set the Tri-County District convention for Tahoe City on September 29.

Mrs. Louise Geier reported \$21

has been turned in during the past week to the Hostess House Fund, which puts the club over the top for this worthy project.

Mrs. O'Rourke, who is safety chairman, reported that jars tied with yellow ribbon have been placed in local establishments with a plea for funds for Imogene Wittsche, the 13 year old girl who lost both legs in a speedboat accident recently. She reported collections to that date totaled \$61.35 and donations appear to be continuing generous.

A card party will be held on August 18 in one of the local resorts as a benefit for Imogene, to be preceded by a luncheon. The public is invited to attend, a small charge to go toward the check to be mailed to the girl. It will be Imogene Wittsche Day, with all proceeds to be sent to her. The drive will end on August 18 and anyone wishing to mail in a contribution may send it to Mrs. Everett O'Rourke, Tahoe City. Any amount will be welcomed.

Tahoe Marriage Permits Are Issued at Reno

Recent marriage licenses issued in Reno included those of two Lake Tahoe couples. These are William M. Lake of Kings Beach and Marian E. Driscoll of Tahoe City; John J. Donohoe and Alice W. Abbott, both of Tahoma.

Floriston

by C. A. FELESINA
FLORISTON—Mr. and Mrs. Ray Yurich of San Francisco have opened their summer home and had as their guests over the weekend her sister, Miss Mary Guiffre, Melovich Marco, Al Gode and Yurich's brother, Duke Yurich, all of San Francisco. The Yurich brothers are reliving earlier days and finding many things which had been their father's as both of them were born in and spent their youth in the house which Ray bought this spring.

Mrs. Josephine de Curtioni has returned to her work as nurse in Franklin Hospital in San Francisco after spending her vacation visiting Mr. and Mrs. Wesley Craig. Mrs. Craig accompanied her to the city and spent the weekend there.

Mrs. S. B. Buckner has sailed for Germany where she will visit her daughter who is stationed there with the Red Cross. Before returning she will visit her son in Australia.

Visitors at the home of Mr. and Mrs. D. O. Heath during the weekend were Mr. and Mrs. Gordon Smith Sr. of Wheeler Ridge and Vernon Scott of Bakersfield, brothers-in-law and sister of the host and Mr. and Mrs. J. Coluri of Carson City.

John Whittenberg visited at the homes of his brother and sister and families, Mr. and Mrs. Bob Whittenberg and Mr. and Mrs. J. A. McCurdy while en

route to the Veterans' Hospital in Phoenix, Arizona.

Mrs. Frank Seymour entertained at a pot luck luncheon and bunco party Tuesday afternoon. Those attending were Mesdames Josephine de Curtioni of San Francisco, Julius Redelius, John Brown, Robert Kneicke, all of Reno; Greeley Bonham of Sparks, Wesley Craig, Odell Heath and Lester Felesina of Floriston. First prize was won by Mrs. Redelius, second by Mrs. Bonham and low by Mrs. Craig.

Mr. and Mrs. J. Colipriest of Sacramento were recent visitors at the home of Mr. and Mrs. J. A. McCurdy. They came for their daughter Roselee who had been visiting the McCurdy's daughter Pauline.

Mr. and Mrs. Albert L. Bivins of St. Petersburg, Fla., and Mrs. Cornelia Beard of New Orleans, La., who have been visiting the Richard Demarest home, have left to return to their homes. Mrs. Demarest is a daughter of Mr. and Mrs. Bivins and Mrs. Beard is a cousin.

Mr. and Mrs. John Knapp and children of Auburn were in town recently getting the rest of their belongings and visiting friends. They are former Floriston residents.

Aged aid rolls in Nevada County reached \$20 for June, 1949, compared with \$56 for December, 1948, and \$28 for July, 1948, California Taxpayers' Association reports.

LADY—
YOU DID IT!

This is the season of the year when those annoying fuse "blow-
out" may occur in the home. There are several reasons for
these "pesky" mishaps and there are a few precautions you
can take to avoid them.

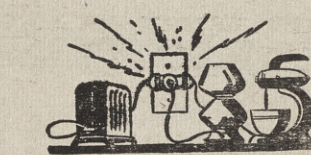

Take these simple precautions and you will avoid trouble.

1. Handle plugs and cords carefully. Tighten up loose screws and nuts in plugs and on appliances.
2. Repair or replace old and frayed cords on all appliances. Check your cords now.
3. Keep spare fuses on hand. It takes only a few seconds to replace a burned-out fuse.

You will be home more hours a day during the coming cold and rainy season thus giving your lamps, radios and appliances longer hours of service. Give them all some care and repair servicing now.

TAKE CARE of plugs that start
spitting like a kitten. It is advance
notice that a wire is about to burn
through or a plug terminal is about
to give away.

BEWARE of using too many ap-
pliances at one time on a branch cir-
cuit. This overloads circuits and
causes blowouts.

BEWARE of jerking appliances
about by the cord. This loosens termi-
nal connections and causes short cir-
cuits and blowouts.

TAKE CARE to have a supply of
fuses of the right size on hand. 15
ampere fuses (not 20 or 30 amperes)
are right for lighting circuits.

The North Tahoe Softball Club team on August 5 held its leadership of the Carson Valley League at Carson City with Don Edwards pitching its fourth straight victory, defeating the 20-30 Club of that city by a score of 8 to 3. Racehorse Bitler hammered out a home run for the boys of North Tahoe.

Monday night, August 8, at

Camp Richardson, home of the Tropics Softball Club, our boys were handed their first defeat of the second half of the league season by a score of 21 to 8. Over 1,000 people witnessed this game between the North Tahoe boys and the Tropics team of the South. Although the score is no indication, this was a thrilling game with lots of cheering from both sides.

Bud O'Donnel is being honored Thursday night, August 11,

after the game with a coffee and cake birthday party, given by his fellow players.

Wee Kirk of the Pines Church School at Carpenters Hall on Bear Street in Kings Beach at ten o'clock each Sunday morning with Sunday worship following in the Open Air Chapel at 11. Young peoples' meeting at 5 p.m. at the chapel each Sunday.

Monday, August 15, through Friday, August 19, a Children's Daily Vacation Bible School will be held at the chapel, corner of Bear and Dolly Varden Streets in Kings Beach. Classes will begin at 1:30 in the afternoon. All are welcome. Please bring note book and pencil.

The Church School picnic has been set for the afternoon of August 17 and will be at the home of "Miss Ann" Blaue in Tahoe Vista. Everyone welcome. Anyone wishing transportation please call Brockway 2227.

Adult Bible Class will meet at the home of Mrs. P. R. Murray on Tuesday afternoon, August 16. Lesson on the Book of Romans.

WCS business meeting was held at the home of Mrs. Frank Hale in Kings Beach on Tuesday afternoon, August 9. Committee chairmen Mesdames Blaue, Glunt and Van Hooser reported results of the bazaar held last Saturday, August 6. Total proceeds came to \$196.45. It was voted to send \$25 of this to the Pocket Testament League of Japan. Even though ours is a missionary church, its membership feels that to receive help it must also give to the less fortunate.

School Bond Issue. There will be a meeting Friday night, August 12 at the Carpenters Hall in Kings Beach at which Everett O'Rourke, superintendent of the Tahoe-Truckee unified school district, will speak on the forthcoming bond issue election, slated for Tuesday, August 16. This is of

interest to the whole community and all are urged to attend.

Returning from a most enjoyable sojourn in Alaska and stopping over to tell the Mulford Miles family all about their trip are Larry Gunn and Bob Gordon of Los Angeles. These lads were all on their own and at the ripe old age of 17—an impressive age. They should have many interesting stories to tell for the benefit of their stay at home buddies.

Hugh and Evelyn Johnson, whose summer home is on the Brockway Golf Course, arrived Tuesday with their two youngsters, Haron and Jari, for their vacation. They have been coming to the lake for years and know of no better place to spend their summer. It's nice in winter time, too, you know. Incidentally, Hugh and Mulford Miles were class mates in the long ago but never to be forgotten school days.

Friday night, August 6, at the McFees' Pine Ridge Cottages recreation hall a group too large to list names enjoyed a session of square dancing.

Mrs. Fred Muller, formerly Norma Peterson of Tahoe Vista, visited her aunt, Mae Meisenheimer, last Sunday. Norma was accompanied by her husband who is in Uncle Sam's army and is stationed in Texas but at the moment is revelling in a 15-day leave.

George Meisenheimer has had so many pleasant surprises this summer that he was just plain happy when his third grade teacher, Mrs. Myrtle Provo of Elco, Illinois, dropped in for a few moments last week to check on the progress of her one-time student. She was quite pleased with his choice of residence as after a tour of southern California, Oregon and Washington as well as the several states it is necessary to travel across in reaching our part of the world from her home state, she is convinced that Tahoe is the nicest of them all. On this we all agree.

Singer, Violinist Top Amateur Night at Tahoe Tavern Thursday

TAHOE CITY—Last Thursday night's amateur show in the Tahoe Tavern Green Room was enjoyed by the usual packed house as Al Wallace's orchestra accompanied the contestants.

First prize went to Dick McCoy, singer; second went to Gene Halverson who played a violin constructed by himself; Marge Swenson tooted her saxophone to third place and Josephine Douglas came in fourth.

All interested amateurs are invited to contact Linn Biron at the Tavern for try-out appointment before Wednesday evening.

HANDS' GUESTS

TIMBERLAND—The summer cottage of the Dr. Lee Hands of San Francisco in Timberland continues to overflow each week with out-of-town guests. Latest visitors are Miss Jane Draper of Hillsborough, friend of Miss Marilyn Hand; Mr. and Mrs. Paul Morin and daughter Alice of Burlingame and Frank Soto, school pal of Lee Hand Jr.

Blanche Peterson of by-gone days, returned to her home in Centerville, Nevada, after undergoing surgery in a Reno hospital recently. Blanche is getting along fine, her friends at the lake will be glad to know.

Boru and Dorothy O'Brien recently spent some time in the bay area on business and pleasure. Their daughter, Barbara, will enter University of California at Berkeley this fall on a scholarship basis.

Everyone knows by now that our civic minded Ace Abbott last Friday left by plane for Anchorage, Alaska, where he will spend some time on an important project.

There is no nicer place than Tahoe, high in the hills, for peaceful relaxation. We are more and more convinced of this each year as friends and relations come hither to join us in quiet enjoyment of our magnificent scenes. While Mac's sister, Annie Harris, and her daughter, JoAnn, are visiting with friends of theirs and ours in northern California, I am honored with a short visit by my brother, Jimmie Johnson of Turlock, and his wife, Leona and two sons, Ronnie and Charles. Other guests in our household are lifelong friends and former school mates of Mac, Mr. and Mrs. Glenwood Crab of Hot Springs National Park, Arkansas.

Tahoe Swimming Meet Draws Good Crowd On Saturday Morning

TAHOE CITY—Beautiful weather prevailed on Saturday last for the annual Lake Tahoe swimming championship races at Tahoe Tavern. Harry Pierson, pool manager and swimming instructor, managed the events and served as announcer and a large and enthusiastic crowd attended.

Winner of the senior men's 50 yard dash was Phil Chapman, with Ed Wilson second and Fred Bennett third.

Boys, ten years and under, race went to Roger Throckhold with Donald Benjamin and Richard Kondell second and third.

Boys, 14 and under, was won by James Newton with Elliott Huklin second and Shot Smith third.

Girls, ten years and under, saw Susan Smith winner and Susan Reed and Nancy Waldeck, second and third.

Boys, 12 and under, Roger Murphy first, Steve Smith second, Bruce Reed third.

Girls, 12 and under, Carole Levy first, Hilda Huklin second and Barbara Hand third.

Girls, 14 and under, Cynthia Essman first, Shirley Contes second and Judy Murphy third.

Boys, 18 and under, Jim Selby and Jim Carson, tied for first with Phil Guerrero third.

Boys diving, William Briggs first, Bob Bernhard second and Phil Guerrero third. Carole Levy took the girls diving event and the relay race was won by the team of Stanford Frosh from Marla Bay, on the Nevada shore of Lake Tahoe.

Music for the expertly executed water ballet, performed Tahoe Tavern lovelies led by Ed Wilson, was provided by Al Wallace's Tavern orchestra.

228 Junior 4-H Clubbers At Tahoe This Week

With an enrollment of 228 boys and girls, the junior section of Nevada 4-H Clubs state camp is underway at Lake Tahoe near Stateline.

The younger club members are busy with a program of recreation designed especially for them. The senior camp, which enrolled 163 older farm boys and girls, was held last week.

Girls outnumber boys at the junior encampment 131 to 97.

Including leaders and the camp staff, there are 265 taking part in the camp this week.

Bay Area People Make Vehicular Ascent To Watson Lake from Tahoe

TAHOE CITY—A story which is recounted with interest by a group of bay area residents is the one describing the first Jeep ride ever taken to the 7700 foot top of atson Lake, northwest of here.

The trip was made in two Jeeps driven by D. H. Zappettini of San Francisco and Beverly Houdlette of the East Bay region. Passengers included their wives, Mrs. Jack Harris, Mrs. Susan Britt, Bud Zappettini, Joan Donovan, Mr. and Mrs. Fred Parsons and Heidi, a pet dachshund, all of the bay area.

The trip marked the first attempt of any motor driven vehicle to negotiate the rugged, mountainous terrain, and it will long be remembered by the group which pioneered it. Wheels of the vehicles got stuck in the creekbed and logs and boulders proved obstructions over much of the way, necessitating the combined manpower of the passengers in lifting the little cars bodily out of their precarious positions.

The descent was a thrilling if hurried experience, scaring most of the passengers more than somewhat as they clung to the wildly careening vehicles.

Donner Theater Here Offers Stellar Bill For Week's Program

A full week of Hollywood's finest productions is being offered this coming week at the Donner Theatre in Truckee, according to Manager Vern Shattuck.

A brooding atmosphere of mystery and suspense forms a fascinating backdrop for the pulsating romance between Robert Taylor and Ava Gardner in *The Bribe*, new MGM drama, showing tonight and Friday. Laid in a picturesque island fishing village off the coast of Central America, with its pivotal characters a government agent and a girl whom he suspects of being a member of a gang of swindlers, it is a tense, driving story that weaves its mystery and its surprise climax into a creditable whole.

The terrifying inside story of

the most brazen criminal rule that ever schooled America is coming Saturday in Columbia's *The Undercover Man*. Hailed as perhaps the greatest of crime stories and based on the revelations of Frank J. Wilson, retired chief of the US secret service, the movie is told with a bold realism that makes it one of the most gripping films of the year. Glenn Ford is starred and Nina Foch fills the principal supporting role. The film tells the fact-by-fact, bullet-by-bullet story of how federal agents nailed the most vicious crime syndicate in history.

With the excitement and color of a big league ball park as its background, MGM offers an infectious new Technicolor musical in *Take Me Out to the Ball Game*, featured attraction Sunday and Monday. Its stars are Frank Sinatra, Esther Williams and Gene Kelly with Betty Garrett, Edward Arnold and Jules Mueslin in supporting leads, which in itself is a guarantee of home runs in song, romance and laughter and *Take Me Out to the Ball Game* has all three in a big way.

The Kettle Family, introduced to the reading and movie going public by the Egg and I, returns to the screen in a sequel to that film, *Ma and Ka Kettle*, showing next Tuesday and Wednesday with Marjorie Main and Percy Kilbride starred in the title roles. With two kids added to the brood, the Kettles have been pronounced the most fascinating exhibits of rural eccentricity since the famous Jukes family of Indiana became a scientific study.

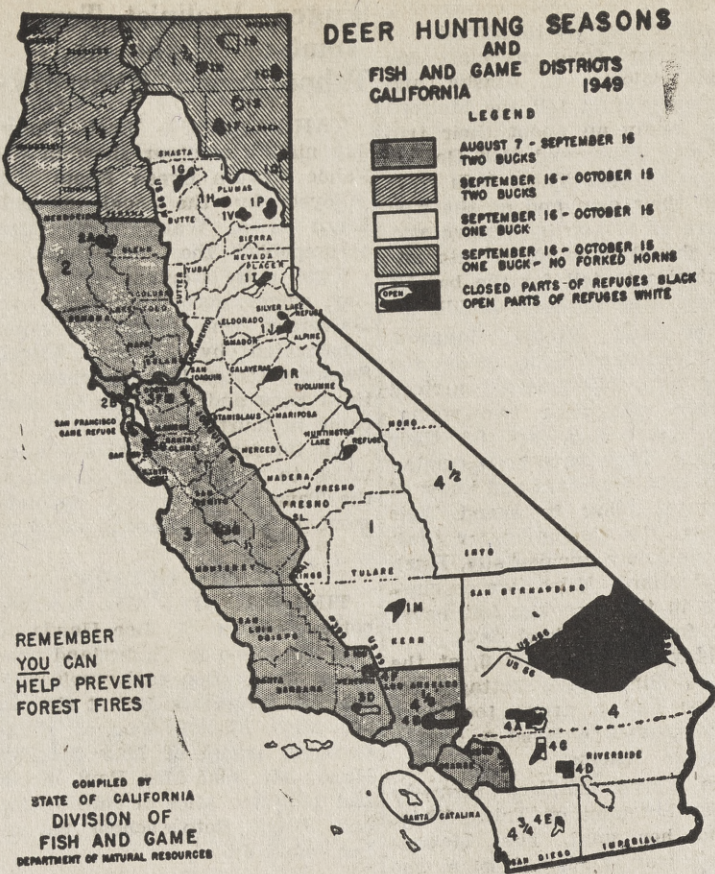

Hunter Lists 12 Rules For Safety Afield For State's Nimrods

As California's 1949 deer season gets underway, the division of fish and game has some good advice to impart to half a million hunters.

It comes from Joseph S. Hunter, chief of the bureau of game conservation. In his 42 years of state fish and game service, Hunter has seen many deaths and injuries caused by carelessness with firearms in the field.

Although California led the nation in the number of hunter deaths and accidents during the last two years, the veteran conservationist believes that 90 per cent of such mishaps are preventable. He blamed "sheer stupidity and rank carelessness" for most of the 89 hunting accidents of 1948.

The "10 Commandments of

Safety" should be known and practiced by every nimrod, Hunter believes, if the tragic death toll afield is to be checked. They are:

Treat every gun with the respect due a loaded gun.

Carry only empty guns, taken down or with the action open, into your automobile, camp or home.

Always be sure that the barrel and action are clear of obstructions.

Always carry your gun so that you can control the direction of the muzzle, even if you stumble.

Be sure of your target before you shoot.

Never point your gun at some-

thing you do not want to shoot.

Never leave your gun unattended unless you unload it first.

Never climb a tree or fence with a loaded gun.

Never shoot at a flat, hard surface or the surface of water.

Do not mix gunpowder and alcohol.

And to the list of 10 do's and don'ts, Hunter adds two of his own. Never snap triggers unless certain the gun is unloaded and never lean a gun where it can be knocked down.

WANT TO BE STATE

The Hawaiian electorate voted more than two to one in favor of statehood for Hawaii in 1940.

NOTICE of time and place of hearing on preliminary budget

Notice is hereby given that the Board of Supervisors of the County of Nevada, State of California, will meet on Saturday, August 20, 1949 at 10 o'clock a.m. in the Supervisors Chambers at the Court House in Nevada City, California, for the purpose of considering the preliminary budget of the County of Nevada for the fiscal year 1949-50, copies of which are on file for distribution in the office of the County Auditor at Court House, Nevada City, California.

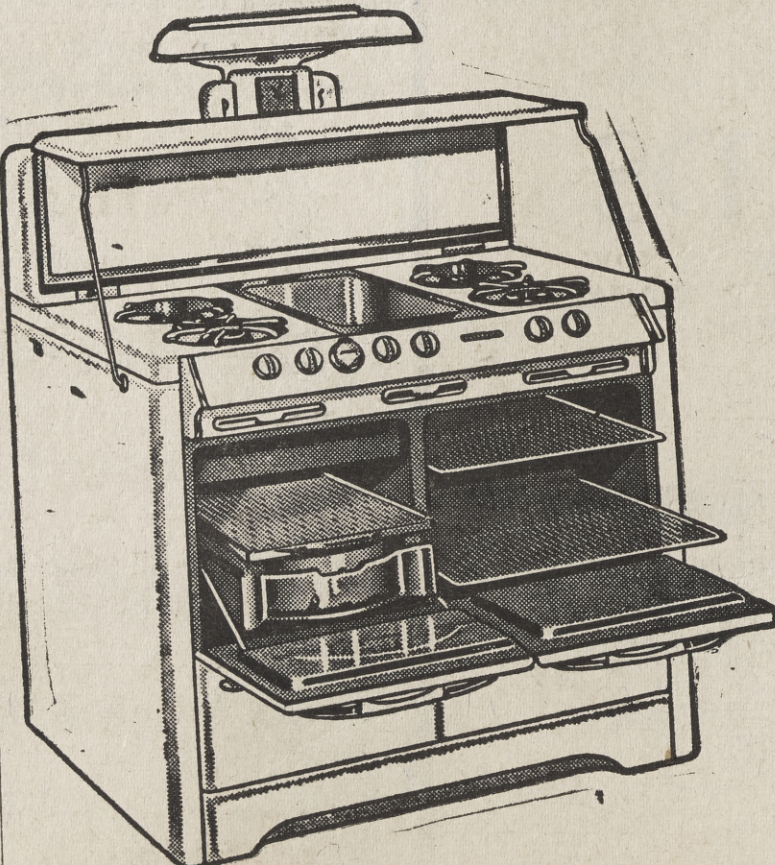

Any person desiring to appear for or against any of the allotments as set out in said budget is invited to attend said meeting of the Board and discuss same before final approval of said budget which must be made on or before August 30th, 1949.

Upsets Last Weekend Brings Tight Finish In '49 P-N League Race

COLFAX—The closest finish in the Placer-Nevada league since it was formed in 1923 resulted over the weekend when three of the second division teams handed defeats to three of the top clubs. The upsets started Saturday night when the Roseville AC Ramblers downed the Grass Valley Braves 7 to 3 under the lights in the Roseville Park. Sunday the ninth place Truckee team handed the

Lincoln Potters a 12 to 11 defeat, forcing the latter club into an extra game with the Roseville Wolves to decide the championship. This game will be played under the lights in Roseville Saturday night, August 13.

The third upset of the weekend saw the Nevada City Athletics squeeze by the Folsom Merchants 12 to 11 in ten innings.

As a result of the Nevada City and Roseville Ramblers wins, along with the Colfax Fireballs victory over the Auburn Cubs, Colfax, Folsom and Grass Valley are tied for fourth place and extra games will now have to be scheduled by the three teams before the President's Cup series can start. In this series, the first five clubs are participating teams.

The Placerville Bartletts will play the Mountaineers in Truckee next Sunday, the game being one which was rained out earlier in the season. Regardless of which team wins, Placerville has clinched third place in the league standings.

Ed Moore Tells About Television Progress At Meeting of Rotary

BROCKWAY—Eddie Moore, a member of the North Tahoe Rotary Club from Tahoma, was the guest speaker at the Monday, August 1, meeting of the Rotary Club of Brockway. He is well versed on television and told of its advancement since the first broadcast in 1928. Due to the war, not much was done to perfect its operation until 1947 but since then it has been greatly advanced and its popularity has grown tremendously, Moore said. In Los Angeles alone, approximately 500 sets are sold each day. Moore stated that in the Lake Tahoe area, television reception will probably have to be by reflection, due to the height of the mountains.

Beside members, there were 16 Rotarians from outside clubs and two non-member guests present at the meeting.

Tahoe Letter FROM SWANEE

Tahoe City, August 8th

Dear Tahoeites:

My line today is a reminder to all residents of this area who wish their children to attend the Shrine Circus in Reno on August 18 and 19 to get in touch with A. M. Anderson of Tahoe City and register for transportation and tickets. Some 6,000 youngsters are expected to attend as guests of the Shriners who have staged the annual party for a number of years.

Am sorry to learn that Anderson has been ill in bed at his home for several days and hope he will soon be up and around again as well as new.

A surprise arrived this week from Burbank when I received an invitation to the wedding of Miss Joyce Eleanor Stoddard, daughter of Mr. and Mrs. A. C. Stoddard of Lake Forest. She will marry Donald A. Hoffman at Magnolia Park Community Church in Burbank on Sunday, August 21. Here is wishing the to-be-weds a world of good luck.

Have just had a note from Dave Chambers of Chambers' Lodge, where the Tahoe Yacht Club regatta will be held Sunday, August 14, starting at 9:50 a.m. Dave informs me that a new course with four markers has been laid out and will be rectangular instead of the customary triangle. Each lap will consist of 3 1/2 miles and the distance on each end covers 400 yards. And a slight change in the water skiing program has occurred. The Escalon Water Ski Club will participate instead of the Stockton Club and no ski jump will be erected in time for water ski jumping this year, as planned.

Dr. Clarke Burnham spent the weekend at the family summer home on Burnham Hill and then packed up his wife and two children and departed for home. Once again our garbage cans were given a nocturnal visit by a meandering bear. During the night he could be heard rooting around and in the morning his paw prints were clearly visible in the dust.

Clifford Dockham, son of the Leon Dockhams of the Tahoe Fish Hatchery, passed his 15th birthday on Monday and his parents tendered him a party at the family home that evening. Guests who enjoyed ice cream and birthday cake included out-of-town guests who are now vacationing with the Dockhams, Mr. and Mrs. Elmo Armagost and daughter Carol Jean of Sacramento, Jim Harris of Vallejo, Myra Lee Politt, Bob Dockham and Eric Lef-finwell of the hatchery.

Mr. and Mrs. Ray Frazier of Lake Forest enjoyed the weekend at the Georgetown Centennial celebration where they dressed in the garb of pioneers and saw their home town (Volcanville) float take first prize in the parade. The Fraziers have a ranch near Volcanville and frequently sojourn there. The float was designed after the old original bar used by the 49ers and was adorned with antique lanterns, coffee pots, guns and other equipment used by the early day miners.

SHRINE CIRCUS AT RENO AUGUST 18-21

Jo Madison rides high on Sally, one of Frank Whitbeck's M-G-M movie elephants, to be seen with the Kerak Temple Shrine-Polack Bros. Circus at Mackay Stadium of the University of Nevada, in Reno, starting Thursday, August 18, and continuing through Sunday, August 21. Afternoon and night performances will be given all four days at 2:15 and 8:15. This year's edition of the circus boasts many fabulous new foreign features.

Music Program Planned For Area's Schools Starting Next Month

A program of instrumental and vocal music is to be carried on in the schools of the Tahoe-Truckee Joint Unified School District when classes resume this September.

The vocal music program will continue with singing instruction in the elementary schools and a mixed chorus in the high school.

The instrumental program will be new in most of the schools, however, and class instruction in band and orchestra instruments will be available to the boys and girls of the district.

The goal of these new instrumental music classes will be the formation of an orchestra in each of the elementary schools, a marching band at the high school and eventually a high school orchestra.

A few school-owned instruments of the more unusual type

such as sousaphones and bass drums will be on hand for student use this fall. Parents will be expected to provide the less expensive clarinets, violins, trumpets and others of the more common instruments.

It is requested that anyone who owns a musical instrument of any type that could be made available to the schools get in touch with Ernest Douglas, Box 684, Tahoe City.

RESOLUTION OF THE BOARD OF DIRECTORS OF TAHOE FOREST HOSPITAL DISTRICT ORDERING, CALLING, PROVIDING FOR, AND GIVING NOTICE OF A SPECIAL ELECTION TO BE HELD IN SAID DISTRICT ON TUESDAY, AUGUST 30, 1949, FOR THE PURPOSE OF SUBMITTING TO THE QUALIFIED ELECTORS OF SAID DISTRICT A MEASURE TO INCUR BONDED INDEBTEDNESS FOR CERTAIN WORK AND IMPROVEMENT

WHEREAS, Tahoe Forest Hospital District of the Counties of Nevada and Placer, State of California, needs to acquire, construct and maintain a general hospital, and in the opinion of this Board of Directors a special assessment for said purpose would be inadvisable, and the expenses of such operations will be in excess of an amount which can reasonably be raised by the regular annual assessment for the running expenses of the District, and the public interest, convenience and necessity demand and require that bonds be issued for said purposes,

NOW, THEREFORE, the Board of Directors of Tahoe Forest Hospital District DOES HEREBY RESOLVE, DETERMINE AND ORDER, as follows:

Section 1. That the public interest, convenience and necessity demand and require the acquisition, construction and maintenance by said District of certain work and improvement set forth in the following measure, to-wit:

MEASURE: Shall Tahoe Forest Hospital District incur a bonded indebtedness in the principal amount of \$150,000 for the purpose of the acquisition, construction and maintenance by said District of the following improvement, to-wit:

A general hospital, including land, rights of way, grading, heating and lighting and facilities, sewer plant and facilities, furnishings, surgical, medical and laboratory equipment and facilities, and other works, property or structures necessary or convenient for a general hospital for Tahoe Forest Hospital District?

Section 2. That in the opinion of this Board of Directors a special assessment would be inadvisable for the purposes described in Section 1 hereof, and the expenses of such operations will be in excess of an amount which can reasonably be raised by the regular annual assessment for the running expenses of the District, and bonds should be issued by said District for the purpose of acquiring, constructing and maintaining said work and improvement.

Section 3. That a special district bond election be held, and the same is hereby called and ordered to be held, in said District on Tuesday, the 30th day of August, 1949, for the purpose of submitting to the qualified electors of said District the measure of incurring indebtedness and issuing bonds of said District therefor in the amount and for the purposes set forth in Section 1 hereof. That this Board of Directors hereby submits to the qualified electors of said District at said special district bond election said bond measure set forth in Section 1 hereof and designates and refers to said measure in the form of ballot hereinafter prescribed for use at said election. That all persons qualified to vote at hospital district elec-

tions in said District on the date of said special district bond election herein provided for shall be qualified to vote upon said measure submitted at said special district bond election.

Section 4. That the amount of the proposed bond issue is the principal sum of One Hundred Fifty Thousand Dollars (\$150,000). That the rate of interest payable thereon shall not exceed five (5) per cent. per annum, payable annually the first year and semi-annually thereafter, and that the maximum date of maturity of the bonds shall be twenty years after the date of issuance thereof.

If two-thirds of the votes cast at the bond election are in favor of the issuance of the bonds, the Board of Directors of the District shall cause bonds to be issued in an amount not exceeding said principal sum.

Section 5. That the manner of voting shall be as stated on the form of ballot hereinafter set for. That the ballots shall be perforated and numbered, and shall be substantially in the following form, to-wit:

No. (This number MARK CROSS over is to be: (X) ON BALLOT torn off by: LOT ONLY (Inspector) : WITH RUBBER STAMP : NO. : NEVER WITH : PEN OR PENCIL : (ABSENTEE : BALLOTS : MAY BE : MARKED : WITH PEN : AND INK OR : PENCIL) : (Fold ballot to : this perforated : line, leaving : top margin : exposed.)

August 21.

Local Shriners have been assisting with the advance ticket campaign and thousands of children from a radius of 300 miles, who otherwise would never get to see a high class circus, will be guests at the matinee, transported by chartered buses.

Abundant news acts, many of them from abroad, give a better than ever promise to the 1949 edition of the circus, according to Lester J. Hilp, general chairman. Topping the roster of talent are the Rose Gould Trio of daring adagio aerialists, starring the soaring Viennese Venus of the air; Barton the Great, the man who stands on one finger; the Seven Ward-Bell Flyers in double daring mid-air evolutions; the spectacular high wire Berosinis, the Bogino Family of seven whirling Italian acrobats, the Four Cycling Sidneys, Natal the money man, and Chai and Somay, Chinese gymnasts.

Appealing trained animal acts include the MGM movie elephants of Tarzan fame, Roland Tiebor's educated sea lions with 1½ year old Baby Sadie, Alexander Konoy's celebrated horse, Kalamara Jr., the famous Black Horse troupe, Roberta's dog and pony revue and Gudzw's somersaulting Scotch collies, newly arrived from Europe.

\$7,000 Probation Budget For Nevada County

SACRAMENTO —(W. N. S.)—The probation budget for Nevada County totals \$7,000, according to a report submitted this week by a committee for the special crime commission on adult corrections and release procedures.

The county maintains a professional staff of one persons in its probation department, and the case loads, according to the report, are 13 juveniles and 28 adults annually.

The report was a comprehensive study of probation services in California and indicated the state spend approximately 12 million dollars annually for such services.

Polio Strikes County; Aids Outlined By National Foundation

SACRAMENTO —(W. N. S.)—New polio cases in California were reported at 95 last week by the state department of public health.

These included three cases in western Nevada County.

Other cases, by counties, were located as follows:

Alameda 5, Butte 1, Fresno 3, Humboldt 3, Kings 2, Los Angeles 39, Marin 1, Madera 1, Orange 1, Riverside 1, Sacramento 1, San Bernardino 6, San Diego 4, San Francisco 2, San Luis Obispo 1, San Mateo 5, Santa Barbara 2, Santa Clara 1, Santa Cruz 3, Sonoma 1, Stanislaus 1, Tulare 2 and Ventura 5.

HOW TO GET HELP from the National Foundation for Infantile Paralysis WHEN POLIO STRIKES

1. At the first sign of illness, call your own doctor. If he suspects polio he will report the case to the local health department and arrange for hospitalization or home care, as indicated. The National Foundation does not select physicians or hospitals. This is a family matter.

2. If your doctor says it is polio and requires hospitalization, the local chapter of the National Foundation will help arrange for transportation to a treatment center. As soon as the patient goes to the hospital—or if your doctor advises the patient can be treated at home—get in touch with your chapter of the National Foundation to arrange for any needed assistance.

a. Most chapters are listed in the telephone book under N for National Foundation, I for Infantile Paralysis and the letter starting with the name of the county you live in, i.e., Nevada County Chapter of the National Foundation for Infantile Paralysis. If you can't find it—check with your doctor, hospital or health department.

b. Your chapter will get in touch with you as soon as it learns of the case through your physician, the hospital or the health department. However, late reporting or a heavy hospital load may delay this chapter contact. If you do not hear promptly, telephone or visit your chapter representative. You can ease your own worries sooner by making the approach yourself.

3. Your chapter representative will notify the hospital that it is arranging with you for full or partial payment of expenses for medical care. Adults are as eligible for help as are children. Discuss with your chapter how much of the full bill the chapter will pay.

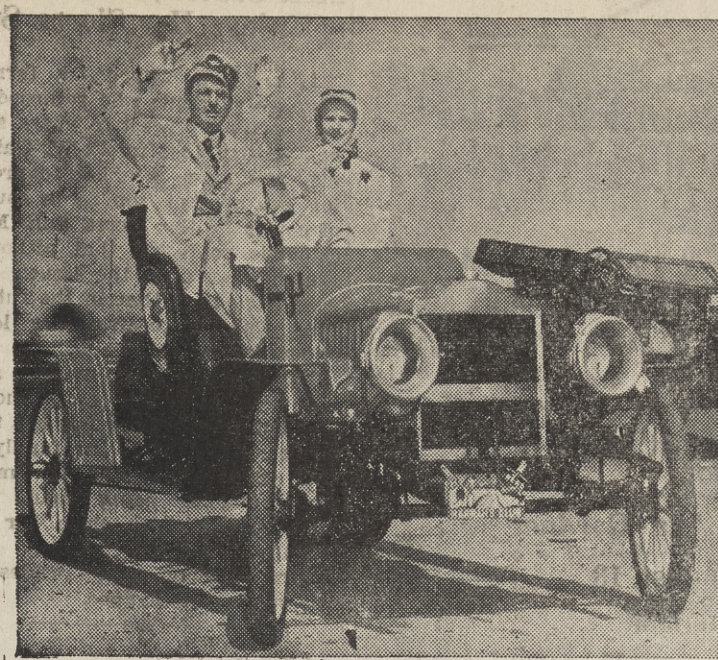

a.) March of Dimes funds are used to help the medically indigent—but this is not the same as "indigent." It includes families of moderate income who cannot meet the high costs of mod-

ern care for this expensive disease. The help is a gift—not a loan. While families that can pay are expected to do so, no family is expected to impoverish itself to meet medical expenses for polio.

b.) Even if you can assume full costs for initial hospitalization, it is a good idea to see your chapter. If yours should be a patient who is severely affected—and this cannot be determined in the first few days—you may need help later on. Bills incurred in the weeks before your chapter assumes financial responsibility cannot be paid months afterward but the chapter will step in at whatever time you really need help. Have a frank, friendly talk with your chapter representative at the beginning.

4. Chapters pay for hospitalization, professional services including nursing and physical therapy, transportation to and from hospitals, convalescent centers and clinics, treatment after hospitalization and appliances such as wheel chairs, braces, etc., as needed. There are no hard and fast rules. Each case is decided upon individual medical and financial needs. Assistance is given regardless of age, race, creed or color. More than 110,000 polio patients were directly assisted in full or in part up to the end of 1948.

5. In addition, your chapter can put you in touch with proper sources for nursing and physical therapy at home, can refer you to rehabilitation and vocational training agencies, will provide literature designed to foster better understanding of infantile paralysis—so you will know what to expect and how to help your polio

Mrs. Cabona, In France, Enjoys Her Sierra Sun

Mrs. Marie Cabona, a former Truckee resident, who returned to her native France two years ago, has written to Mrs. F. W. Gaiennie, a former neighbor, expressing her appreciation for a couple of copies of the Sierra Sun. Mrs. Gaiennie confessed that although she did not send the issue, she would see to it that in the future Mrs. Cabona receives her local paper regularly.

The former local woman said she was homesick for Truckee and her friends here but felt that she could not leave her family at this time. She noted the many improvements being made and contemplated here since her departure.

Mrs. Cabona now resides at Bielle, Basse, France.

Sgt. Fowler Attending State Patrol Academy

Thirty-five Highway Patrol sergeants are filling notebooks and burning midnight oil this week at the Patrol Academy in Sacramento.

Sgt. H. B. Fowler of Truckee is among those in attendance undergoing a three weeks' refresher course covering all fields of traffic enforcement and accident prevention, including new legislation, communications, physical education, first aid, photography and other subjects.

Fowler will return to duty on completion of the academy course August 26.

Son of Mrs. Luck On Naval Skeet Squad

The Naval Air Station at San Diego has the making of another National Service Championship team in the form of its skeet shooting team of which Lieutenant (jg) Vernon S. Brewster, USN, son of Mrs. R. M. Luck of Truckee is a member.

In a contest held July 15 at the San Diego Naval Air Station skeet range, the San Diego based team won the first of a series of skeet shoots by defeating the teams of El Toro Marines and the Alameda Naval Air Station.

Tot Topples from Car At Ball Park Sunday

Little Douglas Nelson, 18 month old son of Dr. and Mrs. L. D. Nelson, added to the excitement of the Lincoln-Truckee baseball game here Sunday when he tumbled from his parents' car during the game and received a painful laceration on his forehead. A fatherly stitch closed the wound and Doug was whisked away home to recuperate briefly.

Tarzan

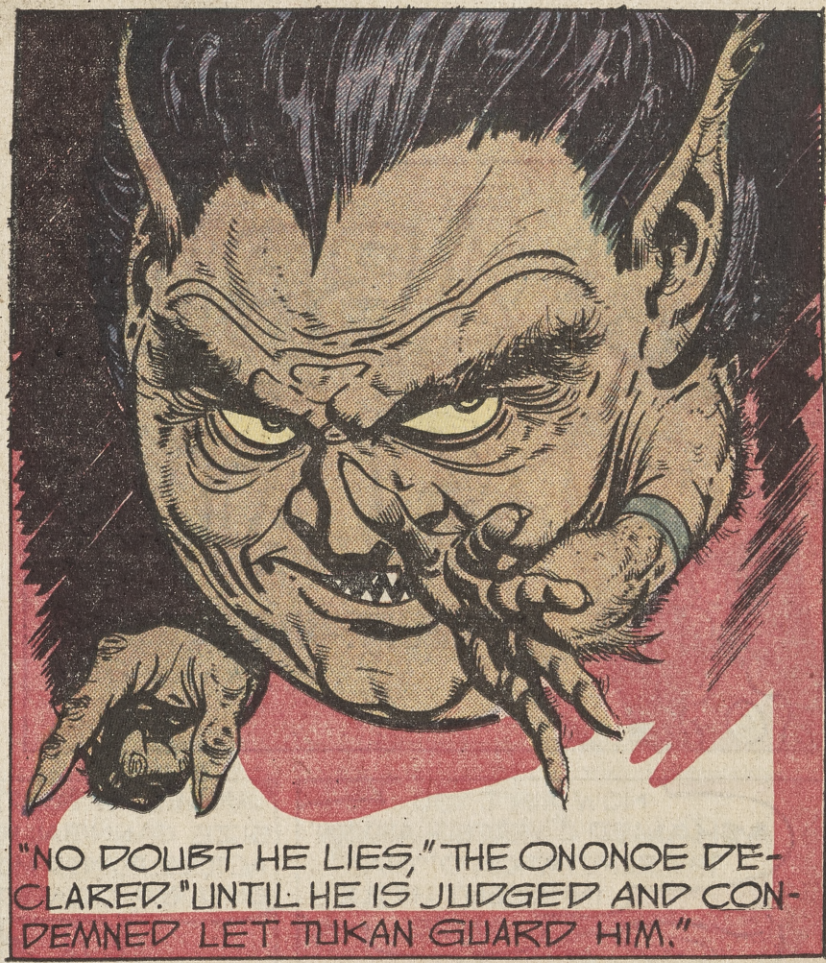

by EDGAR RICE BURROUGHS

AS TARZAN AND HIS CAPTORS PASSED THROUGH THE GATEWAY OF OMOLOS, THE WALLED CITY OF THE ONOONES, THE APE-MAN LOOKED CURIOUSLY ABOUT. OMOLOS WAS A CITY OF DOMES, ITS BUILDINGS RESEMBLING HUGE INVERTED BOWLS. AT THE ENTRANCE TO A BUILDING WHICH WAS THE TEMPLE, THE PARTY WAS HALTED BY SEVERAL ONOONES.

"WHAT HAVE YOU THERE, OLA?" ONE DEMANDED. "A STRANGER, GUXA" OLA GROWLED, "WHO CLAIMS TO COME FROM BEYOND THE GREAT PASS."

"NO DOUBT HE LIES," THE ONOONE DECLARED. "UNTIL HE IS JUDGED AND CONDEMNED LET TUKAN GUARD HIM."

"WAS THAT YOUR KING?" TARZAN INQUIRED. "NO," OLA REPLIED. "IT IS GUXA, HIGH PRIEST AND ADVISOR TO KING MOLE."

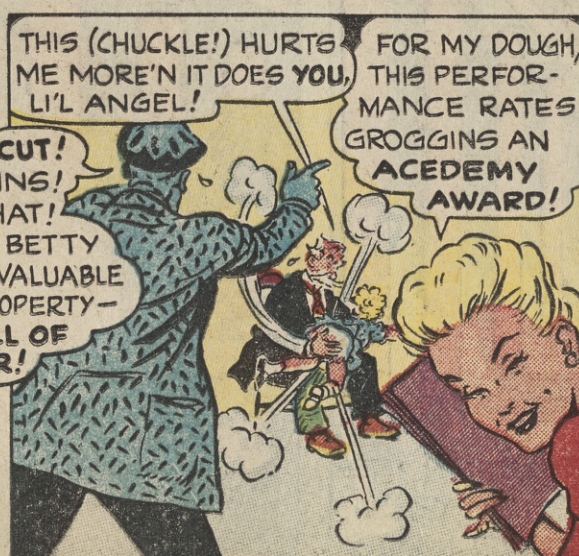

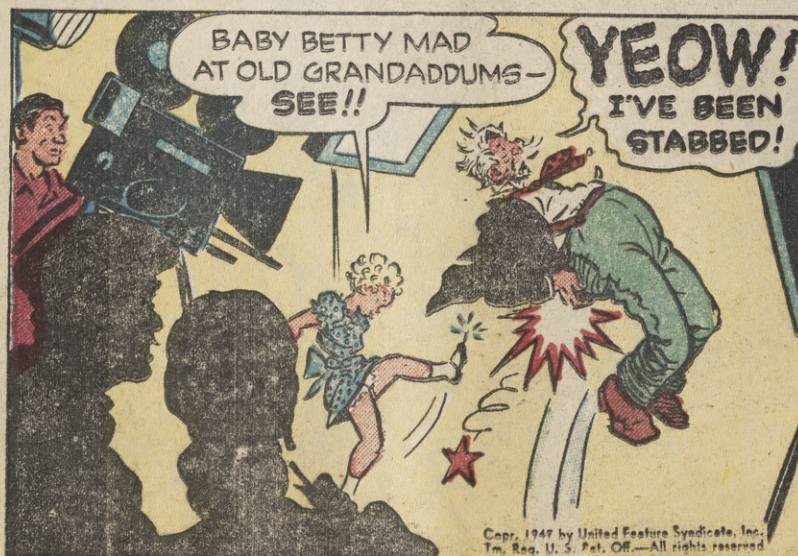

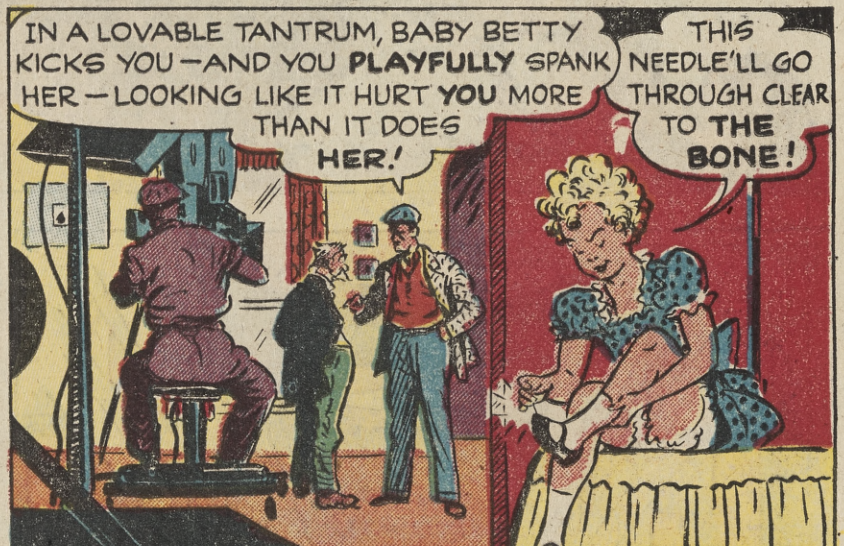

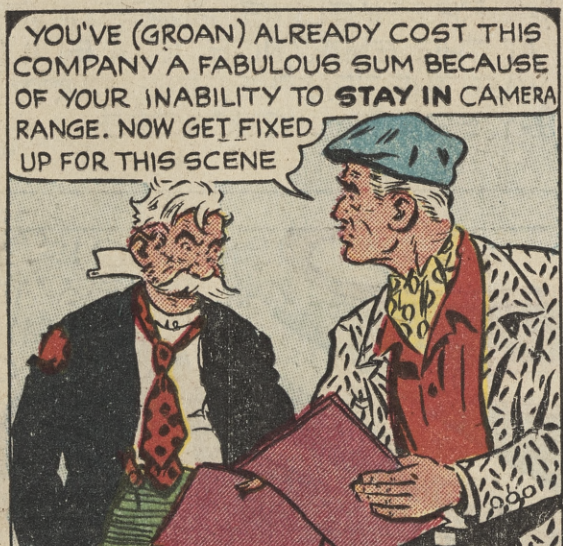

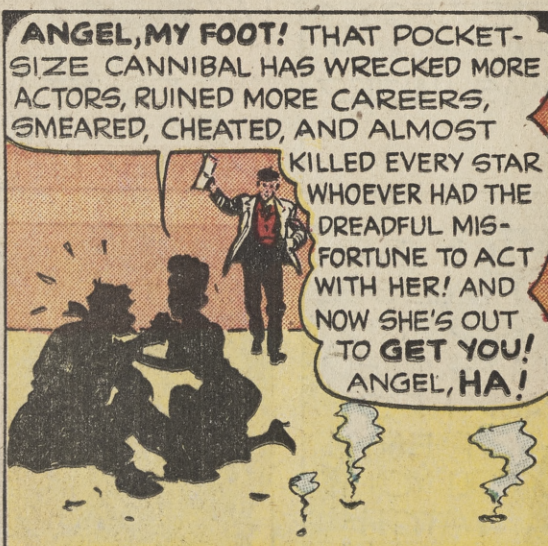

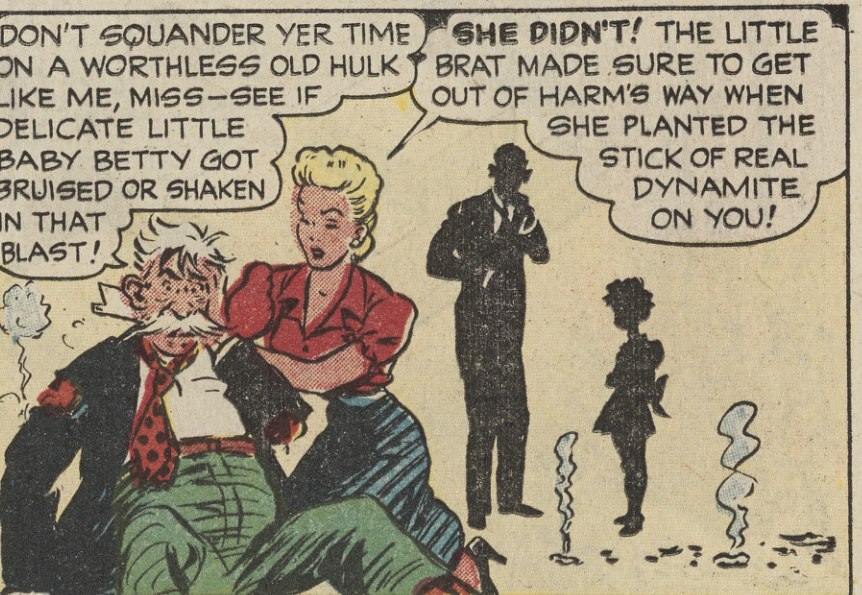

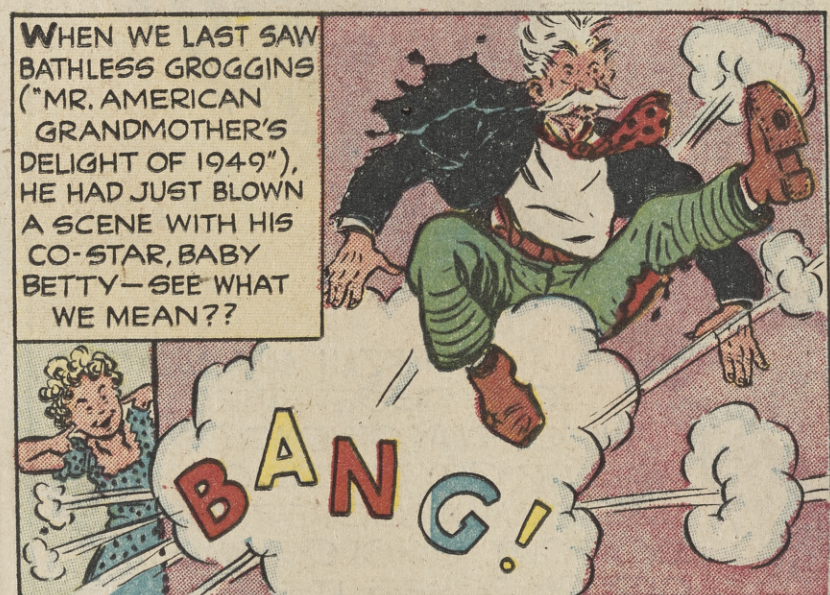

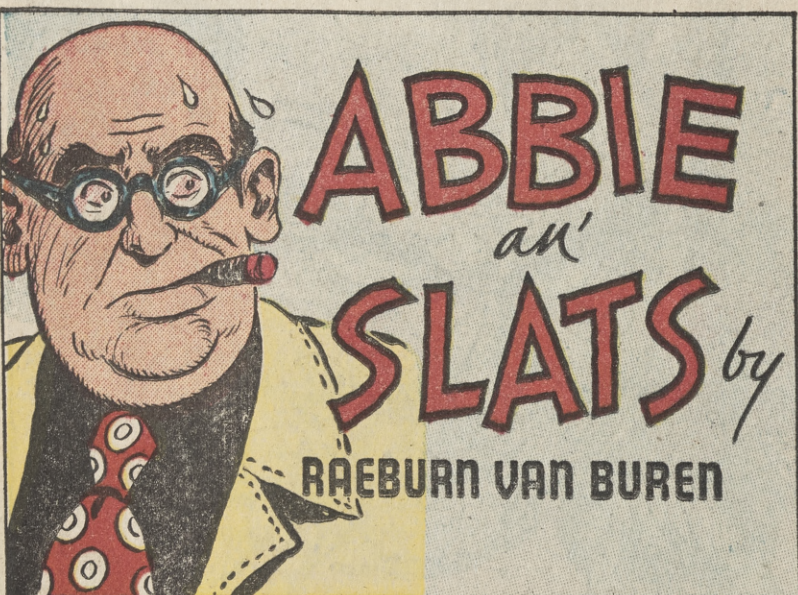

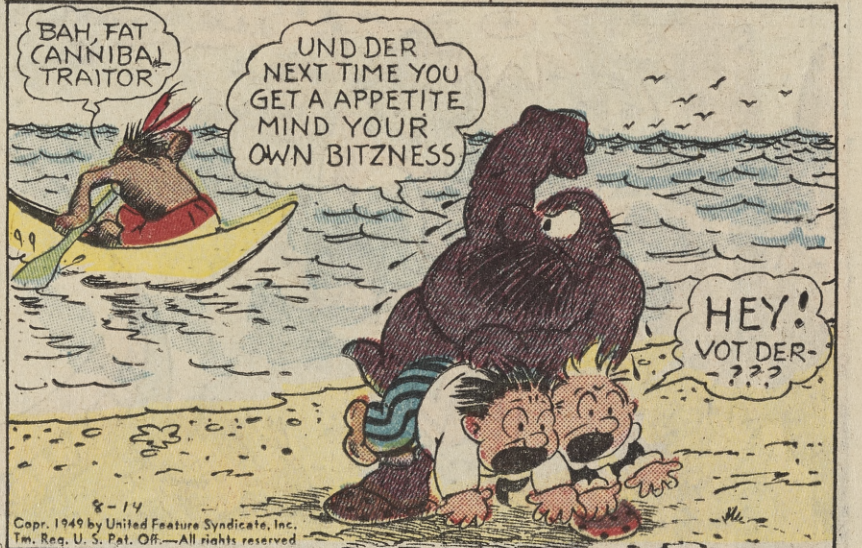

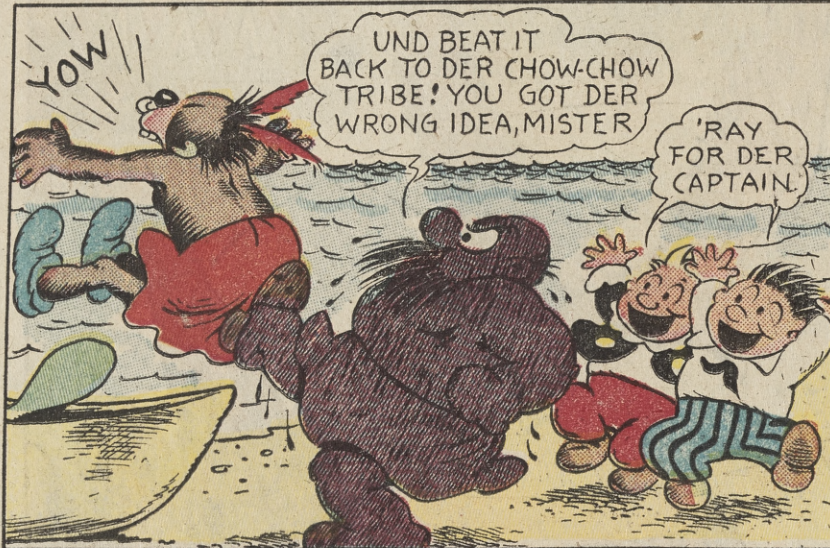

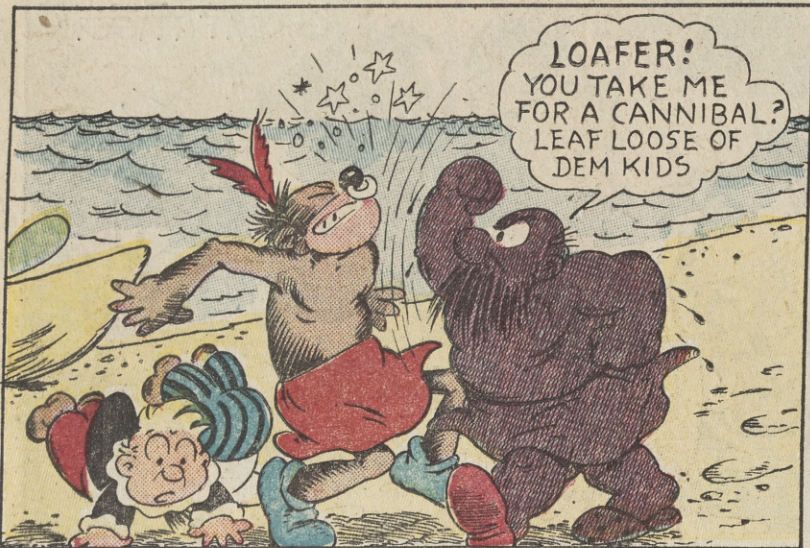

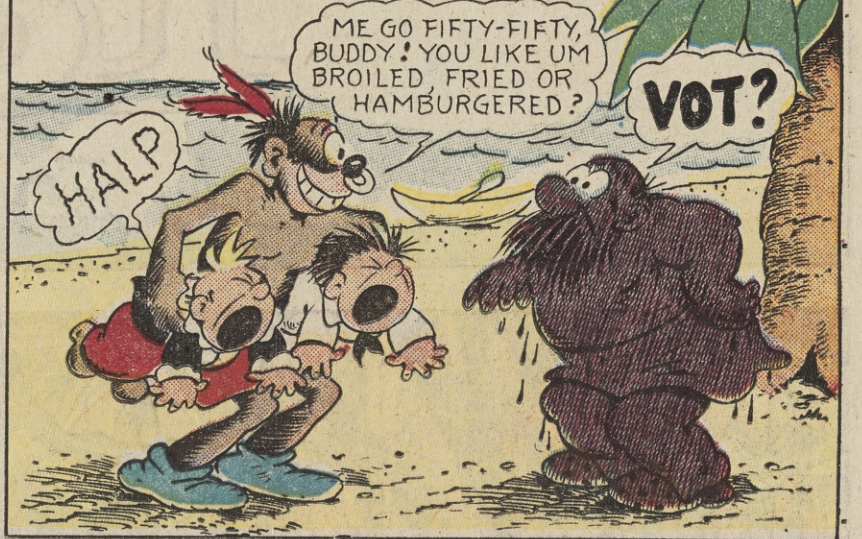

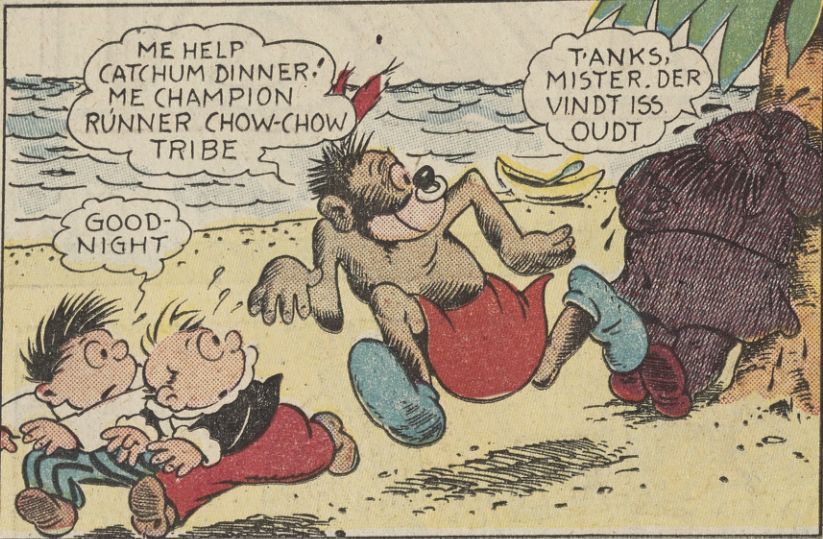

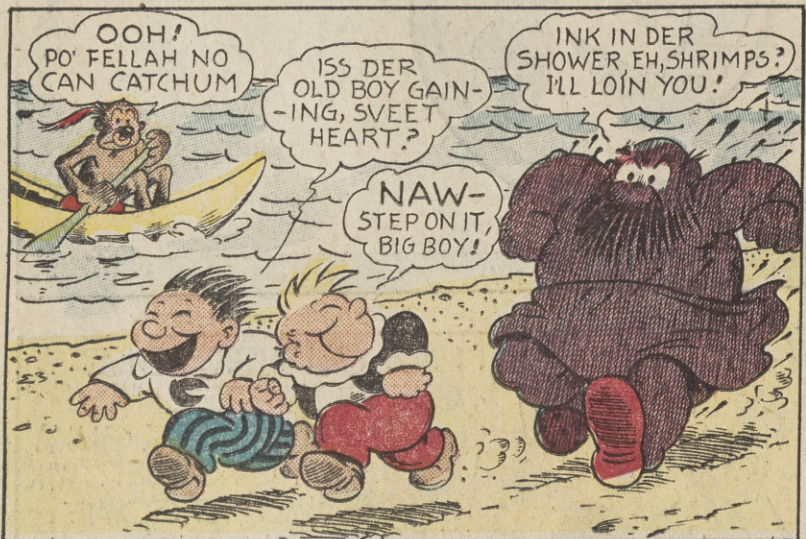

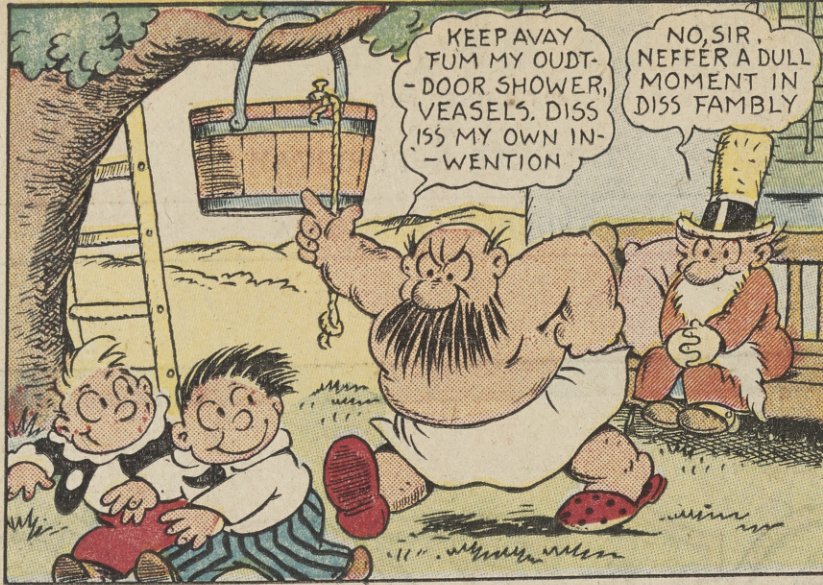

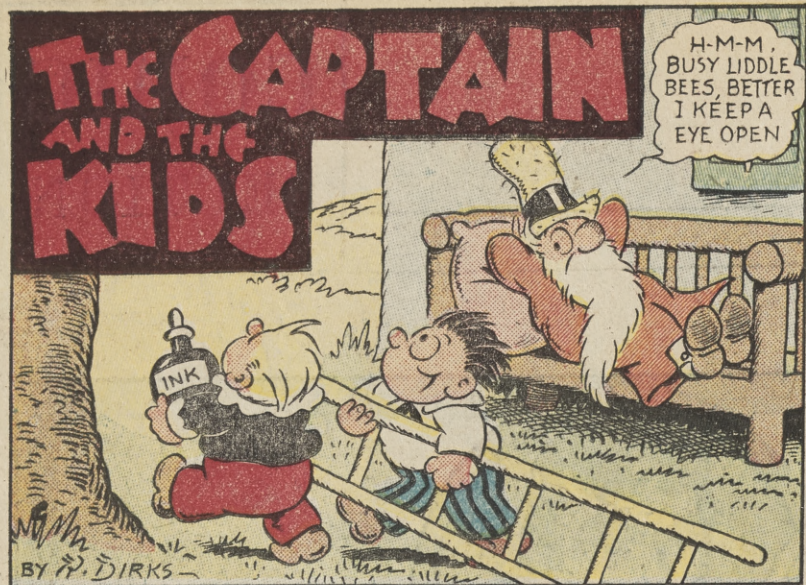

"AND WHO IS TUKAN?" TARZAN ASKED. "YOU WILL SEE HIM PRESENTLY," OLA GRINNED. "AND I DO NOT ENVY YOU YOUR WATCH-MAN!" HE ADDED GRIMLY.

AS THE HEAVY DOOR CLOSED BEHIND HIM, TARZAN STOOD PERFECTLY STILL.
